

Laps for Life

Calling all Lap Swimmers for a fun summer-long competition!

Starting May 29 and ending August 29, laps will be counted on an "on your own" honor system. In order for laps to be counted, they MUST have been swam at either Liberty or Centennial pool during regular hours or Adult Swim. Laps must be recorded before you leave the pool on your lap card (you can NOT record past days). Lap cards will be located at both pools, results will be posted monthly. The "Laps for Life" Champ will be announced at noon on Monday, August 30 at Liberty Pool.

The first place winner will receive a year of FREE admittance to Adult Swim/Lap Swim for the 2011 season. You may register at anytime at either pool or the Parks Office. Registration is \$5.00 per participant. Prizes will be given to the top 5.
