KID'S ONLY GARAGE SALE

April 6th, 2019

9am-1pm

At Convention Hall

This special sale is specifically designed for children to run their own booth and learn about sales, marketing, and merchandising. Participants are welcome to sell toys, games, sports equipment, clothing, or other gently used items. It's a great way for kids to clean out their toy boxes, empty their closets, and sell the things they no longer play with or have outgrown! To be a vendor, participants must be between the ages of 5-14 years, provide their own start bank for their booth, and pre-register. Booths are at a first come first serve basis.
