DEAR POTENTIAL SPONSOR,

Let's serve the community.

Sedalia Parks and Recreation thanks you for your interest in supporting quality community events, programs, parks, and sports. The community trusts in the Sedalia Parks and Recreation name, and equates it with quality. We are able to continue to produce quality events and sports thanks to the generous support of local businesses and organizations who recognize and value the community events for the benefit of both Sedalia's residents, and as an outreach tool for sponsors.

Sedalia Parks and Recreation's Mission Statement:

"The Sedalia Parks and Recreation department is committed to providing quality programs, facilities, and services that will enhance the quality of life for the citizens of Sedalia and the surrounding communities."

Our events and programs have been carefully crafted and nurtured to further this goal. They draw participants from every age, walk of life, race, and creed. Community events create audiences who have been brought together to celebrate art, music, family, entertainment, freedom, and heritage. These audiences are receptive to your message, and they value your involvement in their community. They see that you are investing in what they care about, and an investment in community events is an investment in the community as a whole, and your business's place in it.
