

KANSAS CITY Splash Pass 2019

Each Splash Pass has two visit "punches" to each KC pool and two total punches to any participating St Louis pool. The punches can be used by two different people.

The cost of the Splash Pass is \$25, which is donated directly to MPRA. Payment should be made out with either cash or check made out to Missouri Park and Recreation Association. All funds raised go to support the educational efforts of MPRA.

Purchase your Splash Pass with your participating parks and recreation agency where seasonal passes are sold.

Please keep track of your pass at all times. No refunds or replacements are available.
