NEWS RELEASE: Clover Dell Lake

We are so excited to announce in partnership with the Missouri Conservation Department, non-motorized boats are now allowed in Clover Dell Lake! We are so excited for families to go explore Clover Dell Lake in canoes and kayaks! Our maintenance crew was a huge part in helping us make this happen by clearing out brush for visitors to be able to easily put a boat in the water. While we are excited for this change, we highly encourage you to stay safe and wear lifejackets/safety gear while exploring or fishing in your boat! This change is effective immediately. Please see the attached photos courtesy of Josh Elam.
