TEAM SELECTION:

Teams will have 1 Head Coach and up to 2 Assistant Coaches. Coaches and their children will be assigned to the same team. All other children will be randomly assigned to a team in their respective league. Players are randomly selected in order to promote individual growth, create invaluable experiences, increase the competitive balance of games, and improve the overall quality of the Youth Baseball League.

ABOUT OUR PROGRAM:

- * This is a RECREATIONAL league; we stress teaching the basics & having fun.
- * Coaches in this league are volunteers. Usually they are parents just like yourself, and for some this is their first coaching experience.
- * Our preference is that you, the parents, are the coaches in this league. However, when we do not have enough parent volunteers for each team, we must ask individuals and community organizations outside the program for help.
- * If you would like your child to play at a highly competitive level, this type of league may not be the best fit for you. Our recommendation is to consider enrolling your child in one of the traveling teams in town. We say this only so that you find the appropriate league for your child and enjoy the experience.

COACHING: You don't have to be a baseball expert to be a good coach! This is a RECREATIONAL league - we're here to have fun!

To be a good coach, it is important to:

- Stress the importance of having FUN & good sportsmanship.
- Understand and follow the Rules & Regulations of our league.
- Know Baseball fundamentals or be willing to learn this information.
- Be reliable & responsible.

What to expect:

- A background check will be required in order to coach.
- A Coaches Meeting will be held Wed. March 20 at 7:00 p.m. at Heckart Community Center
- Practices will begin early/mid April.
- Games begin early May and last through mid/late June.

If you would like to coach:
