NEWS RELEASE: KATY PARK PLAYGROUND IMPROVEMENT

Sedalia Parks and Recreation is excited to announce that last Thursday, the Park Board approved the installation of a brand-new playground at Katy Park! This exciting upgrade comes just in time to celebrate Katy Park's 50th birthday this year. The new playground will be installed this fall, providing a fresh, fun, and safe place for children to play and families to enjoy. This is a significant milestone for Katy Park, and we are eager to see the community benefit from this enhancement.

Keep an eye out for construction progress at Katy Park in the upcoming months and be aware that the current playground will be closing during construction. We can't wait to share this exciting addition with you! Pictures of the new playground are attached.
