

More Dance Details:

- Mommy 'n' Me is only \$25/month
- **Recitals** for all classes (except Mommy 'n' Me and tumbling) will take place Saturday, December 14th and Saturday, May 2nd. One non-refundable \$35 costume fee is due at registration, the second is due upon returning from winter break.
- Winter break is December 15th - January 5th. All tuition is half price for December.
- Tumbling classes will utilize observation classes instead of recitals to display progress. And recital is optional for Adult Tap.
- **Shoes/attire:** athletic clothing is acceptable for all classes, with a leotard and tights preferred for ballet, jazz and lyrical classes.
 - Tumbling classes are done barefoot.
 - Jazz, ballet, lyrical: dancers may wear ballet or jazz shoes for class. Either is acceptable if you already own shoes. Bloch and Capezio are good brands of shoes, easiest found online since we are in Sedalia. If buying new jazz shoes, please avoid laces along the top of the shoe (jazz gore boots are the slip ons). For young ballet dancers, please knot the strings and cut off the rest so they do not need tied during class.
 - Tap shoes: Capezio and Bloch lace-up shoes are preferred brands. But I won't turn away dancers with different taps.
 - Hip hop is done in tennis shoes.
 - My goal is to keep attire costs as low as possible. Please email any questions you have.
