Temporary Closure of Liberty Land Flyer

The Liberty Land Flyer at Liberty Park will be closed this spring and summer to replace and repair the tracks. The safety of the riders, operators, and patrons of the park are always our number one concern. Therefore, these repairs must be made before the train can operate once again for all to enjoy.

We appreciate the years that the Sunrise Optimists have operated the train and thank them for their support as we make the necessary repairs.

For more information or to answer any questions concerning the Liberty Land Flyer, please contact Amy Epple, Director of Parks & Recreation, at (660) 826-4930.
